

Secret to A Good Life - Drink, Steal, Swear, Lie

I met this guy recently who just seemed to be so in touch with life and so at peace with himself. When I asked him about his 'secret'; he simply said 'I have four rules by which I live : Drink, Steal, Swear and Lie.

Of course I was shocked and he could read it all over my face. I just did not understand. So I asked him to explain. By the time he was finished I fully understood and decided to adopt the four principles.

DRINK: Drink from the everlasting cup of life and love everyday

STEAL: Steal a moment each day to help someone in worse shape than you are

SWEAR: Swear that today you will be a better person than you were yesterday.

LIE : When you lie down at night, thank the creator for the life, love and freedoms you enjoy

I am not as good as I should be

I am not as good as I could be

but THANK GOD

I am better than I used to be!
