

## Fly through the forest canopy to your mountaintop wedding

Looking to make your wedding just as adventurous as your relationship? You can get married at a scenic overlook at 700 feet at Rain Forest Adventures Mystic Mountain in Ocho Rios, {mosmodule phpinc=ttpopup.php,Jamaica}, which is creating high-flying romance with its wedding package, "I Do at 700 Feet."

Couples travel through the forest canopy on the Sky Explorer chairlift up to the peak of Mystic Mountain, where views overlook Ocho Rios harbor.

Ceremony venues include Mystic Mountain's lawn and the Mystic Pavilion restaurant. "I Do at 700 Feet" packages include a marriage officer, bridal bouquet, groom boutonniere, on-site wedding coordinator and professional photography. The venue can accommodate up to 50 guests.

Packages also include:

- One-tier wedding cake.
- Two bottles of champagne
- Tropical decorations
- Wedding album with 24 professional photos and a CD of digital images
- Marriage certificate and license fees
- Two witnesses (if none available)
- Legal processing of documents prior to wedding.

The resort also has a Rainforest Bobsled, a zip line course and infinity pool and waterslide.

Packages begin at \$1,000 without the room for the couple. Find out more at [www.rainforestadventure.com](http://www.rainforestadventure.com).
