

Win a nude wedding in Jamaica

Are you willing to get married in the buff , especially if you don't have to pay for it?

Hedonism II in Jamaica tells USA TODAY it is seeking couples willing to say "I do" nude on cable TV on Valentine's Day.

The anything-goes resort has hosted the "World's Largest Nude Wedding" and now asks duos to apply at hedonism.com/nudewedding by Jan. 6. A press release says a max of 10 couples can star in a cable television program and get a free wedding and four-night stay at Hedonism II in Negril.

Important fine print: You must be U.S. or Canadian residents and can be reassured that your private parts will be "blurred for television," according to a press release.

So, readers, what do you think?
