

Thank you note from Prince Harry to the Governor General

"Wow! I have totally fallen for Jamaica and its people. My grandmother, The Queen, was so right about you.

Thank you for showing me such a good time, and allowing me to visit so many cultural, historical and fun places. The warmth that I received from the moment I set foot on your awesome island has been totally overwhelming. In passing on your good wishes to The Queen for her Diamond Jubilee, I can't wait to tell her all about my three-day visit.

I have made life-long friends - and cool ones at that! Please can I come back and visit...lots?
