

Holiday Inn SunSpree Resort Montego Bay Launches Winter Sale

The all-inclusive Holiday Inn SunSpree Resort Montego Bay, has launched a new Winter Sale offering savings of 55% off resort stays enjoyed between January 2, 2013 and April 30, 2013.

With the savings, guests can trade the cold and snow back home for a beachfront all-inclusive Jamaican vacation for as little as \$100 per-person, per-night based on double occupancy.

“These are some of the lowest rates in years on all-inclusive vacations to Jamaica during the winter months,” said Nicola Madden-Greig, Group Director of Marketing & Sales. “At the same time, our resort has never been better. We’ve raised our standards to better meet the needs of today’s discerning travelers, offering a surprising level of style and amenities for the price. For anyone who’s been waiting for the best time to book a winter getaway to Jamaica, that time is now.”

A recently completed capital improvements program has yielded widespread upgrades encompassing all facilities and amenities at the Holiday Inn SunSpree Resort Montego Bay. New room categories – Junior Suites for added elegance, and KidSuites® for more family fun – together with exciting new dining options, as well as renovated rooms and enhanced common areas add a refreshed feel to the property, even for the most frequent of repeat guests.

Winter Sale savings are available in standard, superior, deluxe and junior suite room categories and include unlimited meals, snacks and beverages (alcoholic and non-alcoholic), use of non-motorized watersports equipment, and resort amenities (tennis, mini golf, fitness center, etc.). As an added value, all kids 12 and under stay, play and eat free when sharing accommodations with parents. A minimum two-night stay is required and blackout dates extending from February 4, 2013 to March 31, 2013 apply.
